Dear Sally:

On behalf of the Stratford Perth Residential Hospice Steering Committee, I would like to sincerely thank you for your donation in memory of Michael Parker. Your willingness to help in building a hospice for Perth County in Stratford will allow us to provide a home away from home for those who are unable to, or do not wish to, remain at home with an end stage illness. Our goal is to create a Centre of Excellence for palliative care in our area. It will provide individuals with emotional, physical, social and spiritual support and to ultimately improve the quality of living and dying.

If you are interested in learning more about our plans, please feel free to contact us at: [stratfordperthhospice@gmail.com](mailto:stratfordperthhospice@gmail.com). Dennis Young is a steering team member and is available to answer any questions you may have. He can be contacted via email at: [dennisyoung@rogers.com](mailto:dennisyoung@rogers.com) or by phone at (519) 271-9616. You may also write to us at the PO Box shown above.

This project would not be possible without supportive donors and volunteers. We have been working diligently since November 2013 and will continue to work hard to see this initiative through to completion. Thanks to you we are moving into the next phase of this initiative and will be commencing a formal fund raising campaign in the very near future.

Thank you very much again for your support.

Sincerely,

Dennis Young
